

### **Peak Retreats expands programme and adds self-catered chalets in 3 Valleys satellite hamlet**

Peak Retreats, the award-winning French Alps specialist, continues to add new accommodation to its programme for winter 2024/25. Highlights include premium self-catered chalets in Le Bettex hamlet with links into Les Menuires and the 3 Valleys, brand new properties in Valmorel and Megève, as well as additions in Les 2 Alpes and to the Peak Retreats Premium property range.

“We are seeing increased demand for larger self-catered properties as families holiday together. As well as large 4-bedroom apartments in new additions in Megève, Valmorel and Les 2 Alpes, we’ve added a range of new self-catered chalets. These have beautiful open plan living and dining spaces where families can get together after a busy ski day to share experiences, relax and eat together (some of them even have private outdoor hot tubs too!).” Alison Willis, General Manager.

Peak Retreats is offering the extended Eurostar Snow Train service to clients again this season, with the possibility of booking seven nights in resort and an additional night in Bourg Saint Maurice. [Travel](#) is also available by Eurotunnel, with a free upgrade to FlexiPlus on selected dates.
